AND SHOES

## A Word to Our Friends and Patrons.

A special invitation is extended to every citizen of Ohio county to visit us before laying in his Spring bill of Merchandise.

The big rains and bad roads have kept some away, but the time has come that you must gather your produce and start. The roads are getting good and had not every farmer better save from \$2 to \$10 on his day's work than go in the field and labor for much less?

Are we not centrally located, thereby giving us advantage in handling your produce? We are at the only shipping point for the county. Do we not carry an immense assortment in every line? Have we not many other advantages over other towns, enabling us to do better by the farmer in prices?

## OUR CASH SYSTEM

Is meeting with approval every day. The principle of even exchange of our Goods for your Cash or your produce at cash prices, is one that must prevail sooner or later. We mean business and intend that this business shall benefit you if we can get a chance at you. Who will attempt to deny that we can not afford to sell closer than the man who sells for credit and takes great risks?

Do expenses mean anything in business? Most certainly they do. Then only compare our small expenses and large assortment with others' and honestly decide for yourself who pays these extras.

## WE HANDLE ONLY FIRSTCLASS GOODS

FURNISHINGS AND SHOES

## A Word to Our Friends and Patrons.

A special invitation is extended to every citizen of Ohio county to visit us before laying in his Spring bill of Merchandise.

The big rains and bad roads have kept some away, but the time has come that you must gather your produce and start. The roads are getting good and had not every farmer better save from \$2 to \$10 on his day's work than go in the field and labor for much less?

Are we not centrally located, thereby giving us advantage in handling your produce? We are at the only shipping point for the county. Do we not carry an immense assortment in every line? Have we not many other advantages over other towns, enabling us to do better by the farmer in prices?

## OUR CASH SYSTEM

We want 20,000 lbs of WOOL, for which we will pay the highest market price.
